End of Summary

By entering into services provided by Diamond Balcony LLC (Diamond Balcony), I affirm that I have read, understand and agree to the contents of this document in its entirety. All Diamond Balcony services, products, events, courses and interactions are subject to this waiver.

This Agreement is entered into by and between:

Diamond Balcony, LLC, Heather McGarry (Practitioner and/or Coach), and the individual/s signing this agreement (Client).

This coaching agreement is valid as of the payment date for any course or session (even if the amount due is \$0.00), or the first date of coaching or materials (including but not limited to: email, phone, in-person, online, recorded material, electronic files).

1) Coach-Client Relationship

A. Coach agrees to provide coaching, which includes insight, suggestions, perspective and guidance to improve Client's mindset. Coaching is provided responsibly and in good faith, to the best of Coach's ability, to assist Client in clearing the path to their goals. Coach is NOT a therapist or mental health or medical professional.

B. Client is solely responsible for monitoring and maintaining their own physical, mental and emotional well-being, for making decisions, choices, and actions arising out of or resulting from the coaching relationship, courses, classes, calls, materials and interactions with the Coach. As such, the Client agrees that the Coach is not and will not be liable or responsible for any actions or inaction, or for any direct or indirect result of any services provided by the Coach. Client understands that coaching is not therapy and does not substitute for therapy if needed, and does not prevent, cure, or treat any disorder or medical disease.

C. Client acknowledges that they may terminate or discontinue the coaching relationship at any time.

D. Client acknowledges that coaching is a comprehensive process that may involve different areas of their life, including work, finances, health, relationships, education and recreation. The Client agrees that deciding how to handle these issues, incorporating coaching principles into those areas, and implementing choices is exclusively the Client's responsibility.

E. Client acknowledges that coaching does not involve the diagnosis or treatment of mental disorders as defined by the American Psychiatric Association and that coaching is not to be used as a substitute for counseling, psychotherapy, psychoanalysis, mental health care, substance abuse treatment, or other professional advice by legal, medical or other qualified professionals and that it is the Client's exclusive responsibility to seek such independent professional guidance as needed.

If Client is currently under the care of a mental health professional/s the Client will inform those care providers of the nature and extent of the coaching prior to beginning. Particularly if they are taking any prescriptions for mental health.

Any relationship Client has with a licensed professional such as a doctor, medical professional, therapist, psychologist, psychiatrist etc. supercedes and takes precedence over the relationship with Coach.

F. Client understands that to get the most out of coaching process, they must communicate honestly, be open to feedback and participate.

A coach cannot 'fix' a client. Coaches guide clients in making their own conscious changes, which illuminates a clearer path to their success.

There are Four Requisites for Lasting Change.

1. Release old beliefs, emotions, patterns (Coaching sessions and courses)
2. Create an Inspiring Future (Envision your achievement.)
3. Take Action toward your Goals. (Take the steps, do the things.)
4. Maintain a positive disposition. (Believe it's happening, always.)

G. Client acknowledges that their mindset may have layers, and/or interlocking patterns to address over time.

H. Client acknowledges that they will need to take action in their own lives, as they see fit, to reach their goals, even after completing coursework and/or sessions with Coach.

I. Mindset Coaching may not be the only tool that is needed for Client to reach their goals. No guarantees are made, express or implied.

2) Services:

The parties agree to engage in Coach's Program/s, Course/s, or Session/s which may include personal/private sessions, pre-recorded or live audio or video or other methods of documentation or presentation, via internet, telephone, or in-person. The methods, materials and services included are as sold and described at Coach's website, diamondbalcony.com. Materials may be added or updated at the discretion of the Coach. Coach may be available to Client by e-mail for clarification or questions, or by live chat during a webinar. Any course/class schedule, materials posting dates, and fees are as indicated on the Coach's website. Fees must be paid in advance. Reasonable effort will be made to maintain the originally-published schedule, however, schedules are subject to change.

3) Payment:

All services are pre-paid in United States Dollars (USD).

4) Refunds:

Refunds are not given. Private Sessions, including those that were included as part of an online course or package are not eligible for refund, whether or not they were used. Please ensure that you are a good match for Coach's work before purchasing.

5) Cancellation Policy for Private Sessions:

It is the Client's responsibility to notify the Coach of a cancellation 48 hours in advance of a scheduled calls/sessions, and to provide any changes in contact information. In the event that an emergency or extenuated circumstances caused the missed session, Coach will attempt in good

faith to reschedule one missed session. Additional cancellations will result in forfeit of the session price. Further details may be found at diamondbalcony.com

Coach reserves the right to reschedule sessions if Coach experiences an emergency, illness or other qualifying event.

6) Services and Data Procedure:

For certain courses, downloads and session bookings, Client may need to create a Member Account on a course-hosting website for access to course materials.

Client must be at least 18 years of age or have a parent or legal guardian sign the waiver on their behalf.

Private sessions happen on Zoom or similar audio/video platform. If telephone is necessary, Coach will initiate the call at the number Client has specified. If the Client will be at any other number for a scheduled call, Client must notify Coach prior to the scheduled appointment time.

It is Client's responsibility to have an adequate internet or phone connection, device (phone/tablet/smartphone/laptop/desktop computer), and data storage method to receive/participate in Coach's materials, calls, or courses. Generally, this will involve streaming audio and/or video, or downloading those large files to play later. Unforeseen technical difficulties can happen. Coach will take reasonable action to maintain data availability but cannot absolutely guarantee connectivity 100% of the time.

Live events/courses are recorded and a link to the recording will be sent or uploaded to the Client's Member Account within a week of the event. If for some reason a session or course does not record, or the recording is unusable, Coach reserves the right to recreate the session without a live audience, and will send a link to the recreated session.

It is Client's responsibility to download any files they would like to keep on hand. Some files may only be available only via live streaming, not download. Coach is not responsible for Client's internet access. Coach is not responsible for inaccessible files, though every effort will be made to keep Coach's website available at all times. Coach is not responsible for any damages that may arise out of a temporarily-inaccessible website or files. Coach does not guarantee the availability of materials at all times. Coach is not responsible for third parties involved, including but not limited to internet provider, website host, course hosting website, electrical power or any recommended products/services/apps.

7) Confidentiality:

This coaching relationship, as well as all information (documented or verbal) that the Client shares with the Coach as part of this relationship, is kept confidential by the Coach. Confidential Information does not include information that:

- (c) is obtained by the Coach from a third party, without breach of any obligation to the Client;
- (d) is independently developed by the Coach without use of or reference to the Client's confidential information; or
- (e) the Coach is required by statute, lawfully issued subpoena, or by court order to disclose;
- (f) is disclosed to the Coach and as a result of such disclosure the Coach reasonably believes there

to be an imminent or likely risk of danger or harm to the Client or others;
(g) involves illegal activity.

The Client also acknowledges his or her continuing obligation to raise any confidentiality questions or concerns with the Coach in a timely manner.

Coach will obtain Client's permission prior to the posting of any testimonial material.

8) Termination:

Either the Client or the Coach may terminate the coaching relationship at any time, though the terms of this Agreement and Waiver will remain in effect.

In the event that Coach determines that the Client is not a good fit, Coach reserves the right to end a session early and/or cancel future sessions. Any refund will depend on the circumstances.

9) Force Majeure:

Coach is not responsible for loss or damages due to "Acts of God" (unforeseeable or unpreventable events such as severe weather, sudden illness, injury, death, global health crisis, internet failure or hackings etc.) Coach will do everything within reason to maintain agreed-upon schedules and materials. If Coach's basic services (electricity, internet, heat, etc.) are interrupted, classes, calls and other timelines may be rescheduled. In the case of an internet/electricity outage, there may not be a way to communicate the delay until after the scheduled event.

10) Limited Liability:

Except as expressly provided in this Agreement, the Coach makes no guarantees, representations or warranties of any kind or nature, express or implied with respect to the coaching services negotiated, agreed upon and rendered. In no event will the Coach be liable to the Client for any indirect, consequential or special damages. Notwithstanding any damages that the Client may incur, the Coach's entire liability under this Agreement, and the Client's exclusive remedy, will be limited to the amount actually paid by the Client to the Coach under this Agreement for all coaching services rendered through and including the termination date.

11) Entire Agreement:

This document reflects the entire Coaching Agreement between the Coach and the Client, and reflects a complete understanding of the parties with respect to the subject matter. Terms and Conditions for general business practices are provided in a separate document of that title.

12) Dispute Resolution:

If the dispute is not so resolved, and in the event of legal action, Client is responsible for paying both Coach's and Client's attorney's fees and court costs. Court

proceedings are limited to Small Claims Court. Damages are limited to the paid fees for Coach's services.

13) Severability:

If any provision of this Agreement shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If the Court finds that any provision of this Agreement is invalid or unenforceable, but that by limiting such provision it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

14) Waiver:

The failure of either party to enforce any provision of this Agreement shall not be construed as a waiver or limitation of that party's right to subsequently enforce and compel strict compliance with every provision of this Agreement.

15) Applicable Law:

This Agreement shall be governed and construed in accordance with the laws of the State of Colorado, United States of America, without giving effect to any conflicts of laws provisions.
